**LAFAYETTE HOLIDAY INN (formerly Holidome)
2032 NE Evangeline Thruway
Lafayette, Louisiana**

AGENDA

- I. Welcome and Introduction** – Mr. John Barras, Chair
- II. Lafayette North Area Map** - Mr. Mike Hollier, Planning Manager, will identify the geographic boundaries recommended by the Planning Commission for the Lafayette North Plan.
- III. Identifying the Needs** – There are a number of organizations, groups, individuals, businesses, and elected officials interested and working to improve the area defined as Lafayette North. A number of public and private improvements are planned and being implemented. However, there are many needs in the area. The purpose of this agenda item is to identify and list the needs of Lafayette North from the experience and knowledge of the meeting attendees. The Chair will request each attendee recommend three needs in Lafayette North.
- IV. Identifying the Priorities** – The Chair will ask each attendee to vote on the List of Needs in Lafayette North, as identified in Agenda Item III, for ranking in importance.
- V. Establishing Plan Scope of Work** - Based on ranking results in Agenda Item IV, the Planning Commission will work to draft a scope of work for the Lafayette North Plan within sixty days. The Chair will call for discussion on the parameters of the proposed scope of work. (Consultants, local government agencies and departments, non-profit organizations, time frame, etc.)
- VI. Plan Funding Options** - The Planning Commission has considered a number of funding options for the Lafayette North Plan. The cost of plan preparation is dependent on the scope of work and the final deliverable products. The Chair will call for discussion of plan financing.
- VII. Public Comments**
- VIII. Adjournment**
