

LAFAYETTE CITY-PARISH PLANNING COMMISSION

PUBLIC MEETING

PROPOSED LAFAYETTE NORTH PLAN

**WEDNESDAY, FEBRUARY 8, 2006
6:30 P.M.**

**LAFAYETTE HOLIDAY INN (formerly Holidome)
2032 NE Evangeline Thruway
Lafayette, Louisiana**

AGENDA

- I. Welcome and Introduction** – Mr. John Barras, Chair
- II. Lafayette North Area Map** - Mr. Mike Hollier, Planning Manager, will identify the geographic boundaries being reviewed by the Planning Commission for the Lafayette North Plan.
- III. Identifiable Formal Plans for the Lafayette North Area** - Staff will highlight various plans proposed or formally adopted for Lafayette North.
- IV. Recommended Needs** – Eighty recommendations have been submitted for consideration in the Lafayette North Plan (Reference Attachment). The task of defining these recommendations and organizing them for review and evaluation begins. New recommendations may be submitted at any time, but the Planning Commission will initiate consideration of recommendations submitted to date (with this meeting). The Chair will request if there are any further recommendations to be made.
- V. Identifying Priorities Step 1** – The Comprehensive Plan: Lafayette IN a Century (LINC) is divided into twelve elements. The Planning Commission has established a ranking order of importance to each element based on a parishwide perspective. The priorities for the Lafayette North Area may be different. The Chair will request public comment on submitted recommendation priorities by LINC Element.
- VI. Identifying Priorities Step 2** - The Chair will request public comment on submitted recommendation priorities within each LINC Element.
- VII. Drafting a Plan Scope of Work** – The Planning Commission will review the recommendations and public comment priorities identified in Agenda Item V. and VI. Within sixty days the Commission will issue a draft proposal for a Scope of Work to prepare the Lafayette North Plan. The Chair will call for discussion on the parameters of the proposed scope of work. (Consultants, local government agencies and departments, non-profit organizations, time frame, etc.)
- VIII. Next Public Meeting on the Lafayette North Plan** - The Planning Commission has scheduled the next special public meeting on the Lafayette North Plan for Thursday, April 6, 2006 at 6:00 pm in the Lafayette Holiday Inn. For information and updates on the Lafayette North Plan preparation reference the web address: Lafayettelinc.net or call 291-8016.
- IX. Public Comments**
- X. Adjournment**

For more information, contact the Department of Traffic and Transportation Planning Division at 291-8016.
